### Slow Cooker Apple Butter

*From the kitchen of Rachel Stopka*

#### Ingredients

- 5 1/2 pounds apples - peeled, cored and finely chopped
- 1 cup white sugar
- 1 cup brown sugar
- 2 cups apple juice
- 2 teaspoons ground cinnamon
- 1/4 teaspoon ground cloves
- 1/4 teaspoon salt
- Cinnamon sticks

Place apples in a slow cooker. Combine sugar, cinnamon, cloves and salt; pour over apples and mix well.

Cover and cook on high for 1 hour.

Reduce heat to low; cover and cook for 9-11 hours or until thickened and dark brown, stirring occasionally (stir more frequently as it thickens to prevent sticking).

Uncover and cook on low 1 hour longer. If desired, stir with a wire whisk or immersion blender until smooth.

Spoon into prepared jars, with one cinnamon stick and leaving 1/2-in. headspace.

Cover and refrigerate or freeze.
